Message sent on Monday, Aug. 3:

Dear Chief Appraiser:

Recently, Texas Comptroller Susan Combs directed the agency's Property Tax Assistance Division to begin providing expanded informational support to county appraisal districts (CADs) and taxpayers. The Comptroller's office has set up a [Web site](#) that greatly expands the amount of information available to CADs and taxpayers to assist them with property tax issues.

We need your help to make this endeavor a success. We are gathering copies of locally developed land appraisal schedules. These schedules will be posted on our Web site to provide information to assist with property tax issues.

Please provide, by e-mail or regular mail, a copy of your most recent residential property appraisal schedule by Sept. 7, 2009. Please send your residential property appraisal schedule to one of the following addresses:
